THE SECRETARY OF DEFENSE
WASHINGTON, THE DISTRICT OF COLUMBIA

22 OCT 1985

Honorable William J. Casey
Director of Central Intelligence
Washington, DC 20505

Dear Bill:

The Senate Select Committee on Intelligence recently informally disseminated the draft document, "National Intelligence Strategy: Guidelines for FY 1987." This document poses a number of problems to the Defense Department, and we want to participate fully with you in the preparation of a response to the draft document and any follow-on actions in the development of intelligence strategy documentation.

The point of contact on this project is the Office of the Assistant Secretary of Defense (Command, Control, Communications, and Intelligence).

Sincerely,

A handwritten signature, likely "S. P.", is written below the word "Sincerely,".
